EDUCATION

Université Grenoble Alpes

Master of Applied Math

15.01/20

Sep 2025 - Expected 2027

University of Science and Technology of China

B.Sc. in Mathematics and Applied Mathematics

School of the Gifted Young

China-France Mathematics Talents Class

Sep 2022 - Jun 2025

RESEARCH INTERESTS

- Create new algorithm to solve high-dimensional PDEs
- Optimization methods for machine learning

RESEARCH EXPERIENCE

Research on PINN Based on Regional Decomposition

University of Science and Technology of China | Advisor: Prof. Tao Xiong

Dec 2024 - May 2025

Hefei, China

- Using PINN to solve common PDEs.
- Using method of regional decomposition to accelerate the PINNs
- Finding best parameters for PINN when solving PDEs.

Stochastic Optimization for Large-scale Machine Learning

Linköping University | Advisor: Assis. Prof. Chuan He

Apr 2026 - present

Linköping, Sweden

- Compare the traditional SGDM method with our new SGD Extrap Momentum method.
- Using Adaptive ways to put our method on LLM.

PROFESSIONAL EXPERIENCE

Teaching Assistant, USTC

Sep 2024 - Jun 2025

- Provided instructional support of the **Mathematical Analysis B1** collaborating with other 2 teaching assistants by engagement with 120 students and **Atomic Physics** with 30 students.
- Earned 4.7/5.0 by offering effective guidance through consistent student feedback.

AWARDS AND HONORS

- **The 15th National College Mathematics Competition:** Third Prize Nov 2023
- **2023 Anhui Robotics Competition (Programming Track):** 4th, First Prize May 2023
- **ICPC 2024 Asian Regional Contest (Shanghai):** Bronze Prize Nov 2024
- **USTC Freshman Scholarship:** Silver Prize Oct 2022

SKILLS

Languages

English(C2), Chinese(Native), French(B1)

Programming Languages

Python (Jax, Pytorch) / C++ / C / MATLAB

EXTRA-CURRICULAR ACTIVITIES

Responsables of Puzzlehunt Unity Sanity - Treasure Chase (US-TC)

- US-TC Website Development.
- US-TC's Puzzle Creation

USTC Go Tournament

- Constellation Tournament: Runner-up.
- Freshman Tournament: Champion

LEADERSHIP

- Admin of the USTC Go Association
